Calling Service Numbers from 1 July 2015

Changes for customers on Vodafone Business Single Plans

Telephone numbers starting 08, 09 and 118 are called service numbers, and are also commonly known as non-geographic numbers. These numbers are often provided by organisations such as banks, travel agencies or Government departments, for their end customers or users to call them on.

From 1 July 2015, the regulator Ofcom is changing the way these numbers are charged. These changes are designed to make the cost of calls clearer, and are being communicated through a campaign called UK Calling. More information is available at www.ukcalling.info

Changes to numbers beginning 0800 and 0808 (Freephone)

Freephone numbers starting 0800 or 0808, which are generally already free from landlines, will be free to call from mobile phones from 1 July 2015. After that date, it'll be free to call any number starting 0800 or 0808 from your Vodafone phone.

Changes to numbers beginning 084, 087, 09 and 118

Numbers beginning 084 and 087 are general service numbers for contacting organisations.

Those beginning 09 are 'premium rate' service numbers; while those beginning 118 are directory enquiry numbers.

From 1 July 2015, the cost of calling these numbers will be split into two parts:

- **The access charge**
This is the cost of connecting your call to our network. Each Vodafone Price Plan will now include an Access charge (pence per minute), which will appear on your monthly bill.
- **The service charge**
This is the rest of the call charge. The organisation you are calling decides the service charge, and must communicate it. For example, if the service charge was 20p a minute, the organisation you are calling might say: "Calls cost 20p per minute, plus your phone company's Access charge".

The total call cost will then be the sum of your Access charge plus the destination organisation's Service charge.

Pricing for Vodafone Business Single plans Customers

For calls by Vodafone Business Single plans customers to **0800 and 0808 (Freephone)** the cost of these calls will be **Free**.

For calls by Vodafone Business Single plans customers to service numbers beginning **084, 087, 09 or 118**, an Access charge will apply. The Access charge will be **19.17p (ex VAT)**.
