1. These terms and conditions (“**Terms**”) apply to Vodafone Limited’s (hereinafter referred to as ‘us’ and ‘our’) Vodafone Xchange proposition.
2. These Terms apply in addition to the Vodafone Pay Monthly Airtime Agreement (“**Airtime Terms**”) and Trade-in Guarantee Terms and Conditions (“**Trade-in Terms**”) available at www.vodafone.co.uk/terms.
3. Any capitalised terms we use have the meaning set out in these, Airtime Terms and Trade-in Terms.

Vodafone Xchange offer

4. Vodafone Xchange (hereinafter referred to as ‘**Xchange**’) is only available to UK-based consumers or sole traders, resident in the UK with a UK billing address.
5. When you purchase from us directly, an eligible phone (‘**Xchange Device**’) via a Phone Plan (i.e. a Consumer Credit Agreement with Vodafone) **and** Pay Monthly Airtime Plan (‘**Airtime Plan**’), you will be eligible for our Xchange offer.
6. **Xchange Devices:**
 - a. Any of the iPhone 16* series
 - b. All ‘Pristine’ grade refurbished phones

This list is accurate as of the date of these Terms and the list of Xchange Devices can change from time to time. The latest list will be available at www.vodafone.co.uk/mobile/xchange.

**The Terms are applicable to the new iPhone model, tentatively referred to as ‘iPhone 16’. Please note that the final name of the iPhone model may vary upon official announcement by Apple. Regardless of the final naming convention adopted by Apple, the Terms shall remain applicable to the said new iPhone model.*

7. You will be contracting with us when you accept this Xchange offer. Provided you comply with the requirement of these Terms, you will have the option to upgrade to a new Phone Plan and Airtime Plan and also trade in your Xchange Device at any time in the 12 months immediately prior to the end date of your Phone Plan (‘**Xchange Window**’).
8. With Xchange, you will receive the following (collectively referred to as ‘**Funds**’):
 - a. the trade-in value of your Xchange Device (that is calculated via our Trade-in Tool); and
 - b. the equivalent of the remaining balance of your Phone Plan once the trade-in value is excluded.

Example scenario:

You purchase a Xchange Device on a 24 month Phone Plan and Airtime Plan.

At the point at which you are 12 months from the end of your Phone Plan (month 12), you will be prompted if you would like to utilise your Xchange offer.

If you agree and your Xchange Device is in Good Condition as established via the Trade-in Tool, you will then upgrade to a new Phone Plan and Airtime Plan, and return your Xchange Device to us.

Once your Xchange Device is received and accepted by us, you will then receive the Funds.

9. Once your Xchange Device has been established as in Good Condition via the Trade-in Tool, you will then have the option to choose how you want to apply the Funds, either

- a. against your existing Phone Plan to settle it in full;
- b. as a lump sum Vodafone trade-in credit available on your Vodafone account ('**Trade-in Credit**'); or
- c. as a monthly saving towards your new Airtime Plan ('**Monthly Saving**').

(collectively referred to as '**Trade-in Options**').

Note – unless you choose to apply the Funds to settle your existing Phone Plan in full, your Phone Plan will continue and you will be responsible for your Phone Plan payments until it is paid off in full.

10. By trading in your Xchange Device, you are selling your Xchange Device to us and we are giving you the Funds via your chosen Trade-in option.

11. Trade-in options

a. Settling your Phone Plan in full

- i. If you chose to settle your existing Phone Plan, provided your Xchange Device is received and accepted by us, we will apply the Funds to your Vodafone account within five (5) working days.
- ii. In accordance with your Trade-in option selection, the Funds will then be applied to your existing Phone Plan.
- iii. If the Funds is higher than the Phone Plan balance, the additional amount will be applied to your Vodafone account.

b. Trade-in Credit

- i. If you chose to receive the Funds as a Trade-in Credit without applying it towards your existing Phone Plan, provided your Xchange Device is received and accepted by us, we will apply the Funds directly to your Vodafone account within five (5) working days.
- ii. You may use the Trade-in Credit on any Vodafone product or service which can be charged to your bill, including without limitation any early upgrade fees that may be payable.
- iii. For the avoidance of doubt, and without limitation, you may not use your Trade-in Credit for the up-front fee that may be payable when purchasing any products or services.
- iv. You may not transfer the Trade-in Credit to a third party.
- v. If you do not use the full amount of the Trade-in Credit before your next bill, we will use Trade-in Credit to pay off each bill until the Trade-in Credit is exhausted.
- vi. By choosing this Trade-in Option, you acknowledge and agree that:
 - a) the Trade-in Credit shall be held on your Vodafone account until you use it; and
 - b) in the unlikely event of Vodafone becoming insolvent, you would be an unsecured creditor of Vodafone in respect of any Trade-in Credit on your Vodafone account.

c. Monthly Saving

- i. If you chose to receive the Funds as a Monthly Saving, provided your Xchange Device is received and accepted by us, we will apply the Funds directly to your new Airtime Plan immediately.
- ii. The total amount of your Monthly Saving shall remain the same, however if you purchase from us:
 - a) over the phone or via our retail stores, you may choose to redeem your Monthly Saving over any period of months between 3 months and 36 months from the commencement of your new Airtime Plan.
 - b) online, your Monthly Saving will be redeemed in equal monthly instalments across the duration of your new Airtime Plan.

12. Your ability to upgrade to a new Phone Plan and Airtime Plan as part of Xchange will be subject to eligibility checks, credit checks and payment by direct debit.

Please note if you have met this threshold at point of upgrade, you will need to settle at least one of your existing Device Plans (other than the one associated to your Xchange Device) before you can proceed with Xchange.

14. If you choose to exercise your Xchange offer, your Xchange Device will need to be in a **Good Condition** as detailed below. This will be established via our Trade-in Tool. The trade-in process is operated by Ingram Micro Inc. ("**Ingram**") on our behalf.
15. **Good Condition requirement** means your Xchange Device must:

16. In order to establish whether your Xchange Device is in Good Condition, you must either:
 - a. bring the Xchange Device into one of our Vodafone stores, where one of our agents will check that your device complies with our criteria; or
 - b. use the Trade-in Tool in the My Vodafone App, which will run a series of diagnostic tests on your device.
17. You must answer all questions asked while running the Trade-in Tool diagnostic checks honestly, accurately and in good faith. If you do not, we reserve the right to reject your Xchange Device. If rejected, your Xchange Device will be sent back to you and the Funds will not be transferred.
18. If your Xchange Device does not satisfy the Good Condition requirement, we will deem your Xchange Device to be ineligible for the Xchange offer. We may still offer you a reduced value to trade-in your phone, or you may still be eligible to trade-in via our other trade-in offerings (not applicable for any lost, blocked, stolen or fake devices).
19. If you are in any doubt as to whether your Xchange Device satisfies the Good Condition requirement, you are advised to contact us first before sending in your Xchange Device.
20. **"Lost, Blocked or Stolen devices" and "Fake Devices"**
 - a. By trading in your Xchange Device, you confirm that you own the phone or are otherwise lawfully entitled to trade it in.
 - b. "Lost, Blocked or Stolen Devices" are devices that have been reported as either lost, blocked or stolen in any of the stolen asset registers maintained by CheckMEND which is operated by Recipero Limited at <https://www.checkmend.com/uk>. 23. If you opt to send your Xchange Device to us by DPD, we've paid the postage/delivery cost so there's no charge – however:
 - a. we recommend requesting and keeping proof of collection from DPD for your records; and
 - b. we also recommend you use a different device to take a picture of the Xchange Device you are returning (being sure to capture the IMEI number) to verify its condition at the point of sending it to us.
24. Once we receive your Xchange Device, we will be in touch with you to confirm whether your device has been accepted or rejected.
25. Please note, the Xchange Device will be at your risk until a contract is formed between us for the offer.
