Early Termination Fee

An Early Termination Fee may apply to you when you cancel your Vodafone Connect Agreement (broadband and home phone) during your Minimum Period (while still in contract with us).

Your Early Termination Fee will be calculated based on what Vodafone Connect Price Plan you have agreed to with us and how many months you have left in your Minimum Period (while you will still remain in contract) at the time you terminate your Agreement.

You can calculate any Early Termination Fee applicable to you using the table below.

Please note: we may in addition charge a one-off cease fee of £15 as part of any Early Termination Fee to reflect the reasonable cost to us of processing the early termination of your Agreement.

| Vodafone Connect Product | One Off Cease Fee | Monthly Early Termination Fee |
|--|-------------------|-------------------------------|
| Broadband (up to 17Mbps) | £15.00 | £10.42 |
| Superfast Fibre Broadband (up to 38Mbps) | £15.00 | £11.67 |
| Ultrafast Fibre Broadband (up to 76Mbps) | £15.00 | £13.29 |

For example, if you are on the Superfast Fibre Broadband plan (as set out above) and terminate your Agreement with us with 4 months remaining in your Minimum Period, your Early Termination Fee would be £61.68 (£11.67 charge x 4 months left in contract plus one-off cease fee of £15.00).

Direct Dialed Call Charges:

Call charges are shown in pence per minute, with a charging period determined by the time you are connected to the network. If the price point is published as price per minute (ppm) then charging is rounded up to the nearest minute. Fixed fee charges are not rounded as these are not based on call duration.

Call durations are accurate to the nearest second.

A call connection charge of 15p per call applies for all non-inclusive calls, unless otherwise stated.

The rates set out below only apply in respect of out of bundle usage.

Inclusive calls are subject to a 60 minute maximum duration per call. Standard call charges apply if you exceed the 60 minute maximum duration. To continue making inclusive calls simply hang up and redial before the 60 minutes.

Please be aware of any manufacturer specific issues which may affect your call charges (such as your home phone manufacturer). For more information please refer to your device's manufacturer documentation.
